Next to the Jain School and Chinna Samy Mudliar's house.

2 It is not usual to insist on a Stone tablet for Hindu places of worship. Permission solicited for the Construction a "Bhanjara Mane" i.e. S[tore] also may be considered favourably for orders.

3 There is no rea[son] to consult Dte re Construction of Bhojanemane unless a contribution has to be made from the funds of the local body. No Dtel has been asked for in this case. Sanction has been asked only as per general principles of Construction of religious or semi religious institution in the midst of residential localities. So as to guard against any breach of peace. In the case, the necessary conditions to avoid this on literary are observed. Hence it seems Sanction may be granted
